By ELLIE P. LANSBURY.

The first regular meeting of the Moreland School Parent Teachers Association will be held in the school auditorium on September 20 at 8 o'clock p. m. The principal topic of discussion for the afternoon will be "School Environment." The subject will be informally discussed by parents and teachers. The question is considered of vital importance to children's welfare and fathers and mothers are expected to be present. The executive committee of the association held a meeting Monday and voted to retain Mrs. J. C. Lane as playground supervisor for the hours after school. Her salary is paid by the association as the members realize the necessity of having a director to make the grounds a safe place to use as a recreation center.

After this an organization for business was formed. The delegates present included: Mrs. W. M. Money and Mrs. W. S. Murphy, St. Albans; Mrs. W. L. Cliff and Mrs. J. D. Williams, of Sierra Blanca. The following women from this city were present: Mrs. Paul Lewis, Mrs. Alice Hays, Mrs. Smith and Mrs. J. T. King, wife of the new pastor of Highland Park church.
